To Whom It May Concern

RE: Kim Angelus
DOB: 7/23/59

This letter confirms that Kim Angelus was in our residential drug and alcohol treatment program from March 22, 2018 through June 12, 2018. She completed our program in good standing and was very pro-active in her recovery.

Cri-Help, Inc. is a highly structured rehabilitation program designed to teach drug and alcohol dependent adults to live and successfully cope without the use of chemicals or alcohol. We utilize the recovery principles found in the programs of Alcoholics Anonymous and Narcotics Anonymous as an integral part of treatment. We also offer a wide range of services such as, individual counseling, family education and multifamily groups, relapse prevention, life skills, cognitive therapy groups, grief counseling and trauma, HIV education and random urinalysis testing. When working with a client that has been either court ordered into treatment or is on probation/parole we provide monthly progress reports and urinalysis test results. We will promptly notify all courts, probation and parole officers when a client leaves treatment. We seek to establish the process that allows our clients to maintain permanent behavioral change in their lives. While in treatment Ms. Angelus displayed active participation in all assigned groups, including relapse prevention, and cognitive behavioral therapy. She showed a great amount of wiliness to comply with Cri-Help's rules, Furthermore , she was of service to staff as well as her peers. Ms. Angelus volunteered her time in the kitchen and on the steering committee. After completing treatment Ms. Angelus enrolled in an outpatient treatment program at I-Adarp where she is expected to comply with all rules, client is currently living in a sober living.

Thank you for your time and consideration in this matter. If you have any further questions, please feel free to contact me at (818) 985-8323.
